

SINGULAR.—The Marin county jail, since the execution of Cronin about a year ago, has been, and still is vacant. Feloniously inclined hombres seem superstitiously deterred from courting free board and lodging in that institution, much to the advantage of the county General Fund, although reversely so to that of our District Attorney.

SAUCELITO PLEASURE GROUNDS.—Messrs. Bennett & Spoltranin have refitted the hotel formerly kept by Geo. Fitzroy at Old Saucelito, and supplied the same with new appointments throughout, and are now prepared to receive guests. Old Saucelito is getting to be a famous place of resort for pleasure parties, and Messrs. B. & S. have the happy faculty of catering successfully to the wishes of the most fastidious.

MOUNTAIN SPRING WATER COMPANY.—A company having the above name was organized in San Francisco on the 20th ultimo. The object of the Company is to collect the waters of all the creeks on the south side of Tamalpais, on the Saucelito

bor, Wm. Evans, better known, under the sobriquet of "Texas" attempted to mash things general not relishing the liberty take Hag, ordered him to desist, who came furious and pitched into pummelled him pretty severely, imprint of his boots upon the benediction of the intruder. Jack "can't stand those sort o' things bring it on too thick."

REMOVING THE PUBLIC CEMETERY.—In view of the fact that San Rafael is growing up very fast, and that many desirable lots are in close proximity to the public cemetery, some talk is indulged in the propriety of removing the same to some retired locality. We think it a good one, and would suggest that the matter be taken hold of immediately. We have heard it expressed that Sir John could it be obtained for that purpose make a desirable place for a cemetery ground, being of a convenient size and accessible by the turnpike road, and, when completed,
