

in Harmony with Nature. It is because the water of the Seltzer Spa contains no vitiating elements, but greatly reinforces nature instead of prostrating the bodily energies. It performs such astonishing cures in dyspepsia, bowel complaints, disorders of the kidneys, general debility, TARRANT'S EFFERVESCENT Seltzer Aperient, which is identical in all respects with that spontaneous product of the earth producing the same beneficial results on a more sensitive scale in this country.

little girl aged six. One of her father's friends called at the hoose, and, as usual, took the child in his lap.

"Oh, don't Mr. Thomson! I can't sit in your lap now."

"Why, you little elf?"

"Because it's Lent."

"What difference does that make?"

"A great deal; mamma told Mr. Dinkwell, in the library, yesterday, that she wouldn't sit in his lap in Lent, and I won't either."

As this conversation is said to have occurred before papa, I am afraid the innocent chabblar was the cause of future trouble between the wedded pair.

Moral: Young wives fond of flirtation should not be indiscreet before children, though they appear to know nothing of what is passing. The little creatures have an inconvenient way of recalling and repeating what they have seen and heard, on every inopportune occasion.

BUSINESS MEN, worn by care and sedentary habits, often suffer from constipation of the bowels, until the evil consequences of such a condition are realized in extreme debility, nervousness and prostration of the vital energies of the system; and it may be safely asserted that a majority of the female sex are little better than invalids from the same cause; but by simply using Dr. Walker's VEGETABLE VINEGAR BITTERS, this natural aperient and tonic brings back the vigor and buoyancy of health.

PURE BLOOD is essential to sound health and long life. No chronic disease, sores, ulcers, skin eruptions, glandulous swellings, discharges from the ear, sore eyes, sores or cankers in the mouth, will ever appear if the blood is pure. To secure this great desideratum, take Dr. Walker's VEGETABLE VINEGAR BITTERS. It is the great Blood Purifier, and life-giving principle, increasing the power of digestion, and exciting the absorbents to healthy action, whereby all impurities of the system are carried off.
