

*Minstrels.*—A minstrel troupe consisting of Jimmy Carton, Johnny Edwards, Jimmy Murphy and others of the San Francisco Olympic Theatre, gave two entertainments at Short's Assembly Hall on Tuesday and Wednesday nights last. On each occasion the hall was well filled, and the entertainments proved satisfactory.

*Saucelito*—The Western Union Telegraph Company have opened an office at Saucelito in this county. The place is fast assuming the proportions of a town. We understand that a line of stages will be put on the route to this place on Monday next, but with what view we have been unable to determine, as there is no travel of any consequence between the two places.

*On Dit.*—It is said that the Democracy of San Quentin—carpet-bag residents—are seriously thinking of starting a Copperhead organ in this county. We advise you to do it by all means, gentlemen. Last fall some of our secessh subscribers got disgusted because we hoisted the Republican ticket and stopped their subscriptions to the JOURNAL, thereby seriously damaging us, for now they beg a paper instead of buying it. Fling out the Democratic sheet, and we may then get rid of these hummers. As it is we can't re-

—It is said that the Editor of *Harper's Magazine* is made. So are a great many editors.
