

THE
STATISTICIAN
AND
ECONOMIST.

—
1893-94.
—

* * * * * "to know
That which before us lies in dally life,
Is the prime wisdom; What is more, is fume,
Or emptiness, or fond impertinence;
And renders us, in things that most concern,
Unpractis'd, unprepar'd, and still to seek."
—Milton's Adam to Angel.
