A GOOD THING.—German Syrup is the special
prescription of Dr. A. Boschee, a celebrated German physician, and is acknowledged to be one of
the most fortunate discoveries in medicine. It
quickly curse Comple, Cobis and all Lung
troubles of the sererest nature, removing, as it
does, the cause of the affection and leaving the
parts in a strong and healthy condition. It is not
an experimental medicine, but has stood the test
of years, giving actification in every season confirms.
Two million bottles old annually. Beware of
medicines of similar names lately introduced.
IOSCHEETS GERMAN SYRIP was introduced
in the United States in 1868, and is non-roid in
every town and village in the civilized world.
Three doese will relieve any ordinary cough.
Price, 75 cents; sample bottle, 10 cents.

NOTICE.

THE BOARD OF HEALTH HAVING DEclared certain territory within the limits of
San Francisco "in public nuisance." I hereby
notify all persons of every institunality living inand surrounded by the conditions which have
caused this action to be taken by the Hom. Board
of Health, that after the expiration of thirty (30)
days from the publication of this notice, all the
power of the law will be invoked (and we believe
it is sufficient) to empty this great reservoir of
moral, secial and physical pollution, which is constantly extending its area and threatens to engulf
with its fithiness and immorally the fairest portion of our city. The consequences that must result from a continuance of this moral, excial and
physical evil are simply too fairful to contemplate
and must be averted at all hazards.
